

Product Name : Difco™ Skim Milk **Manufacture Date:** 2023/01
Catalog Number : D6340G
Batch Number : 202301
Expiration Date : 2026/12

01. Dehydrated Medium Appearance: Off-white, free-flowing, homogeneous
02. Solubility: 10% solution, soluble in distilled or deionized water
03. Solution Appearance (after autoclaving): white to off-white to beige, opaque
04. Chemical ID Test: Positive with 3, 5-Dinitro Salicyclic Acid
05. Cultural Response: A 10% solution after autoclaving and inoculating with *Lactobacillus casei*, *Escherichia coli* and *Clostridium perfringens* will result in peptonization or coagulation in 24-72 hours at 35 ± 2°C.
06. Residual Solvents (CPMP/ICH/283/95): During the manufacture of Skim Milk neither BD nor their suppliers use any of the solvents listed in the guideline. Testing for solvent residue was not performed on Skim Milk.

Characteristic	Unit	Value	Lower Limit	Upper Limit
Loss on Drying :	%	3.3		4.0
pH at 25°C :		6.3	6.4	6.5
